

EROAD  **RUC Star**
time saver

AutoRUC is the best thing ever invented for a small business like mine.

Most of the time it's just me running the business, so time is precious and AutoRUC is a good time saver.

The over-speed, idle and fuel consumption reports help with making savings and driver education as it's all there in black and white.

Darryn Harris
Director
Container Waste
Christchurch

RUC STAR: Container Waste

INDUSTRY: Waste Services
